OPTICKS:

SUPERIOR EYECARE

As a member of Chartered Accountants Ireland we are delighted to offer you a 10% discount on our wide range of frames, prescription lenses, sunglasses and sports eyewear.

Lifestyle/Corporate Offer

Opticks Superior Eyecare, South Anne St, Dublin 2 would like to invite Ireland's Chartered Accountants to come and take part in the Carl Zeiss Experience. We are the only Opticians in Ireland offering Carl Zeiss's most advanced diagnostic equipment, lens solutions and the Carl Zeiss Cinemizer – 2D / 3D personal movie viewing experience.

Our highly qualified and experienced Optometrists use state-of-the-art Zeiss equipment such as the i.Profiler, allowing us to create an exact eye profile for you. It is like making an optical map of your eye that takes into account the fact that no eye is totally round and no retina is totally smooth. These measurements allow us to analyse parameters that are usually ignored. So when combining these results with other measurements, we can precisely define and calculate your Zeiss precision lenses, to give a far superior lens solution.

At OPTICKS you will find:

- A highly qualified and enthusiastic team to examine your eyes and advise you on the best lenses to suit your needs
- A wide variety of frames from leading brands such as Bulgari, Ray Ban, Polo Ralph Lauren, Miu Miu, Versace, Mexx, OWP, and newcomers IC Berlin! (handmade in Berlin);
- Custom made lenses from Carl Zeiss
- Contact lenses from Johnson and Johnson
