Summary of changes to audit recording on the CA Diary

This document summarises changes to the capture of experience in auditing. These changes became effective on the 10\textsuperscript{th} of April 2019.

Note: Trainees, working in practice, who are gaining experience in the area of regulated, third-party, auditing must read - in detail - the document entitled ‘Guide to recording audit days_CA Diary’ before taking any steps to update the CA Diary.
Change to the CA Diary dashboard

Pre 10\textsuperscript{th} of April
The image below shows an extract of the CA Diary dashboard – pre 10\textsuperscript{th} of April in the Regulated experience area.

Post- 10\textsuperscript{th} of April
The image below shows an extract of the CA Diary dashboard – post 10\textsuperscript{th} of April in the Regulated experience area.
Changes to the ‘Create a new diary entry’ screen

Pre 10th of April
The image below shows an extract of the ‘Create a new diary entry’ screen – pre 10th of April. This section is at the lower section of the page, under the ‘Competencies/area of experience achieved’ banner.

Post 10th of April
The image below shows an extract of the ‘Create a new diary entry’ screen – pre 10th of April. This section is at the lower section of the page, under the ‘Competencies/area of experience achieved’ banner. It should be noted that the additional categories will be reflected in the CA Diary Summary report, which becomes available as part of the online application to membership.
### Competencies/area of experience added:
